

# Phoenix Police Body-Worn Camera

**Mike Kurtenbach**  
Assistant Chief

**Kevin Johnson**  
Sergeant

**City of Phoenix**

# Deployment History

- Mar 2011 90-day pilot
- Apr 2013 56 camera deployment
  - ASU study measured the impact of cameras on domestic violence investigations and on officer/citizen behaviors
- Mar 2015 Reached current 150 camera deployment

# Compliance Detractors

- Initial resistance from PLEA
- Shock language concerns
- Workload increase- Users log metadata
- Slow download speeds

# Increasing Compliance

- Nationwide events garner Union support
- Unions involved in updating policy, RFP Process, Program development
- Supervisor accountability added to policy
- Body-Worn Camera Unit providing oversight
- Advertise successes

A large, stylized, light blue Phoenix logo is centered on the page. The logo is composed of several curved, overlapping shapes that form the bird's head and tail. The background is a solid, medium blue color.
